Sensys Gatso receives an order from Croatia worth SEK 13.5 million

Sensys Gatso Group, a global leader in traffic safety solutions, has received a purchase order from its local partner in Croatia, Meditronik, for the delivery and maintenance of traffic-safety cameras to the Croatian MOI. The purchase order to Sensys Gatso has a value of EUR 1.2 million, corresponding to SEK 13.5 million.

Deliveries of the systems, based on the T-series platform, will take place during the year 2023 - 2026 and the service agreement is for 6 years. The systems will be used for enforcing speed, mainly on state and municipal roads.

"Sensys Gatso and its partner Meditronik already have a strong and long lasting partnership in Croatia, being the largest supplier of automated speed enforcement cameras. This contract further strengthens our position as the most reputable Company of traffic enforcement systems in the Country. We are pleased to contribute to improving traffic safety in Croatia", says Giovanni Felicetti, Head of Sales Southern Europe, Sensys Gatso.
