Press release November 14, 2022

Sensys Gatso Australia receives contract extension of maintenance services for traffic safety systems from the state of Victoria, worth SEK 21 million

Sensys Gatso Group, a global leader in traffic safety solutions, through its subsidiary, Sensys Gatso Australia, has received an order to the value of AUD 3 million, corresponding to SEK 21 million to extend the TRaaS maintenance of existing systems until the end of 2023 from the Victorian Government.

Traffic Enforcement as a Service (TRaaS) is a critical part of the Sensys Gatso Australia portfolio. This TRaaS order includes the maintenance & support of vehicle monitoring systems at selected intersection & highway sites in the State of Victoria. This order extends the current maintenance and support agreement for an additional year until December 2023.

Sensys Gatso Australia's Managing Director Enzo Dri comments: *"The extension of this TRaaS agreement is evidence of the quality of Sensys Gatso's service delivery over a number of years. We are pleased that we are able to provide ongoing support to the State to help meet its objectives of a safe road network for the community."*
