Sensys Gatso names Lewis H. Miller CEO to drive profitable growth

Sensys Gatso Group, a global leader in traffic safety solutions has appointed an experienced industry leader, Lewis H. Miller, as new CEO.

After a comprehensive international search, the Board of Directors of Sensys Gatso Group, a global leader in traffic safety solutions, has appointed Lewis H. Miller as the new Chief Executive Officer. Mr. Miller will assume the role as of June 16, 2025. The current CEO, Ivo Mönnink, will step down on the same day but remain available to support the transition until October 1st.

"We warmly welcome Lew Miller to Sensys Gatso. He brings over 20 years of experience in the automated traffic enforcement industry, having served in senior leadership roles at Xerox, Conduent, Redflex and most recently Verra Mobility. His expertise and proven track record make him ideally positioned to guide our company into the next chapter of growth and innovation," said Claes Ödman, Chairman of Sensys Gatso. *"I would also like to extend our gratitude to Ivo Mönnink for his significant contributions and dedicated leadership during his tenure."*

Mr. Miller has extensive global leadership experience in the automated traffic enforcement and public safety industry. Over his career, Miller has led large operational teams, managed substantial revenue streams, and successfully executed significant growth initiatives and strategic integrations internationally. *"I am honored and enthusiastic about joining Sensys Gatso,"* said Mr. Miller. *"I look forward to leveraging my experience to build upon the company's strong foundation and to drive continued success globally."*

Mr. Miller holds a law degree (JD) and a Master's Degree in Public Policy from the University of Michigan, as well as a Bachelor of Arts (cum laude) in Economics and Political Science from Kalamazoo College.
