Sensys Gatso receives award for traffic safety in Belgium

Sensys Gatso Group, a global leader in traffic safety systems, through its subsidiary, Sensys Gatso Netherlands, has received a four-year procurement award, from the Belgium Walloon Government for the delivery of traffic-safety cameras. The procurement award is estimated to be worth up to SEK 27 million.

Sensys Gatso, together with its partner in Belgium, has received a procurement award for delivery of traffic safety systems. Even though there are no purchase obligations in the award, the value for Sensys Gatso's part is estimated to be approximately SEK 27 million over a period of 4 years.

Furthermore Sensys Gatso has received a first order from this award worth SEK 5.4 million and is expected to be delivered in the second half of 2018 depending on planning.

"Since a long period Sensys Gatso Group is the established market leader in Belgium, which is one of the leading markets in Europe in terms of use of automated traffic enforcement. This procurement award confirms our strong position in the Belgian market and gives us a solid platform to further expand our business" says Joris Lampe, CCO of Sensys Gatso Group.
