

Press release July 18, 2018

Order from Australia worth SEK 25 million

Sensys Gatso Group, a global leader in traffic safety solutions, has through its subsidiary Sensys Gatso Australia, received an order worth AUD 3.9 million, corresponding to SEK 25 million for traffic safety systems upgrade and services to the Victorian Government.

The order is for the supply and installation of new traffic safety systems by upgrading existing camera system sites to new technology. The supply and installation services to the value of SEK 25 million are expected to be completed progressively by the end of December 2019.

Sensys Gatso Australia's Managing Director Enzo Dri comments: *"We have long standing relationship with our client and have partnered with them to improve road safety. This project will assist the management of safety at a number of intersections around the State of Victoria in an effort to reduce injury and fatalities".*
