Sensys Gatso receives contract extension in Maitland, Florida

Sensys Gatso Group, a global leader in traffic safety solutions, has through its subsidiary Sensys Gatso USA, signed a three-year contract extension for Managed Services with the City of Maitland, Florida. The red light program, which began in 2009, will continue for three more years and has an estimated contract value of \$620K USD.

Maitland, a city of 15K people in the greater Orlando area, has long been visited for its pleasant climate and its proximity to theme parks, such as Walt Disney World and Universal Studios. It offers historical and natural points of interest as well as centers for the arts.

"This extension demonstrates the ongoing confidence that Maitland leadership has in Sensys Gatso products, services and staff. We are delighted to work on their behalf for the next three years and to be a part of their efforts to increase public safety of their residents and visitors, alike," says Andrew Noble, President of Sensys Gatso USA.
