Sensys Gatso Australia receives contract extension worth SEK 46 million

Sensys Gatso Group, a global leader in traffic safety solutions, through its subsidiary Sensys Gatso Australia, has received a contract extension to the value of AUD 7 million, corresponding to SEK 46 million for the supply of mobile camera systems and services to the Victorian Government.

The order is for additional mobile camera systems to supplement the initial quantity ordered in July 2018. The supply and services to the value of AUD 7 million are expected to be completed by the end of 2019.

Sensys Gatso Australia's Managing Director Enzo Dri comments: *"A successful pilot phase and subsequent initial supply program has introduced this innovative technology to the State of Victoria. The collaborative approach used to design, develop, test and implement this high quality solution has become an enabler to the State's objective to deter speeding via an 'anywhere, anytime' operational model deployed across the entire road network."*
