## **Sensys Gatso USA has been awarded a second Traffic Enforcement contract in Colombia, South America worth an estimated SEK 10 Million**

**Sensys Gatso Group, through its American subsidiary, Sensys Gatso USA, has been selected as the equipment and software provider for Departamento del Cesar in Colombia, with a contract value worth approximately USD 1.1 million, corresponding to SEK 10 Million. Approximately 30% of the total contract value relates to TRaaS services over a 5 year period.**

Working with local partner, CAPATEST COLOMBIA S.A.S., Sensys Gatso will provide T-Series camera systems that will address traffic challenges ranging from red light running and speed enforcement to vehicle classification and statistics. The systems are expected to be delivered in 2019. Cesar Department, or Cesar, is a department (state) of Colombia located in the north of the country in the Caribbean region. It is made up of 25 municipalities and is home to over one million people.

*“Expanding our offerings into Colombia, South America, is in line with our growth strategy. We appreciate working in areas where traffic safety is taken seriously and where capital infrastructure projects are shaping the future of a country or region. We are excited to be a part of this initiative”, says Andrew Noble, President, Sensys Gatso USA.*
